

Details for Automatic Monthly Memberships at Union Yoga Co.

Automatic Monthly Memberships are for unlimited classes and extension classes on a monthly basis. Your credit card will be charged monthly on the day of purchase and your month is based on sign up date, not calendar month.

Automatic Monthly Membership renewal is available via all major credit cards.

Automatic Monthly Membership is a 3 month minimum commitment.

It is the responsibility of the client to use, track payments and to cancel their Automatic Monthly Membership.

Member is responsible for keeping a current card on file and notifying Union Yoga Co. of new credit card information in the instance of expiration or card cancellations. Membership accounts past due over 14 calendar days will be considered cancelled by Union Yoga Co. and therefore subject to current Automatic Monthly Membership rates.

Cancellation for any reason of the Automatic Monthly Membership does not void the 3 month mandatory contract term limit. No refunds will be given for any reason, including unused Memberships or cancellation requests given with less than seven business days' notice.

Member must contact owners via hello@unionyogaco.com no later than seven business days before next scheduled payment to cancel Automatic Monthly Membership. Failure to do so will result in the payment for the next month being charged. This is the only form of contact that assures the cancellation can be completed, no exceptions.

All new memberships will be subject to current Automatic Monthly Membership rates, therefore if a membership with a lower rate is cancelled, the lower rate will no longer be available.

Discounts do not apply to Automatic Monthly Memberships, and Memberships cannot be placed on hold for any reason.

Union Yoga Co. reserves the right to cancel Automatic Monthly Memberships immediately to protect the health and safety of the membership holder or the health and safety of other studio clients and employees.

All sales are final.
